VETS CUP RULE No 12

Team points total shall determine the result of each match after addition and/or deduction of team player handicaps. The team having the highest points total being the winner.

In the event of a tie the match will be decided by playing a tie breaking doubles set (two games only per set), 15% of the individuals players original handicaps (rounded up) taking part shall be added to the tie break score. If scores still remain level, a further doubles set or sets shall be played, until a winner emerges. Partner changes will be permitted.
